

## DSCI558 HW1 Task3

1. In task1, what did you set things in settings.py to achieve the politeness of your crawler?

Answer: I set `DOWNLOAD_DELAY = 0.25` and set `AUTOTHROTTLE_ENABLED = True`

2. Did not have time to finish Task2, but I completed a part of the code(ie.py)
3. Did not have time to finish Task2, but I completed a part of the code(ie.py)
